ON CAMPUS INCUBATION FACILITY

ATAL INCUBATION CENTRE
**JYOTHY INSTITUTE OF
TECHNOLOGY FOUNDATION**

(Supported by Atal Innovation Mission, NITI Aayog, Govt. of India)

Thathaguni, Off Kanakapura Road, Bengaluru – 560 082, Karnataka.

A BRIEF INTO **AIC-JITF**

Atal Incubation Centre - Jyothy Institute of technology Foundation (AIC-JITF) is an incubation center supported by AIM, NITI-Aayog, Govt of India. It marks a new era in the field of scientific entrepreneurship enabling aspiring individuals, students and faculties to incubate and to build their start-up Ventures.

AIC-JITF is housed in Jyothy Institute of Technology which also has a state of art R & D center - CIIRC.

Key Features:

- AIC-JITF provides 360° support for incubation.
- Facilitates Mentoring Support from renowned scientists and successful entrepreneurs.
- Better networking with Investors.
- Necessary assistance on Seed Funding, Grants and loan facilities for Start-Ups.
- Pre-Incubation support.
- Technology and IP facilitation services.
- Facilitate access to labs, investors, innovators, market access and other resources.

FOCUSED THRUST AREAS

- Food Technology
- Materials
- Devices and Sensors (IoT)

OBJECTIVES

- Support, nurture, innovate technology based start-ups.
- Guidance on business planning, go-to-market and financial advisory

EDITOR'S DESK

Dear Associates and Readers,

Greetings from Atal Incubation Centre – Jyothy Institute of Technology Foundation (AIC-JITF).

Entrepreneurship culture is taking roots in the modern economy giving hopes to many young entrepreneurs. In this light, Business Incubation Centres play a crucial role in spreading entrepreneurial eco-system in the society. With the support of AIM, NITI Aayog, Government of India, AIC-JITF is moving ahead to realise its mission.

We are happy to host some of the prestigious events proposed by AIM like Youth Co: Lab-Sub Nationals which is a joint initiative of AIM and UNDP seeking solutions for Sustainable Development Goals (SDG). We are strengthening our network to accommodate start-ups from different domains.

AIC-JITF is reaching students through awareness camps, training programs, hackathons, etc. at partnered institutions. Co-incubation space, mentoring, networking and an array of other benefits are offered at these partnered institutions in the form of hand holding to support the enthusiastic student entrepreneurs.

We measure our progress in terms of progress of our start-ups. So, I wish all success to our incubatees as well as other stakeholders.

With warm regards,

Dr. M G Anantha Prasad
CEO, AIC-JITF
